# Going Places

## Congratulations Grads!

On May 9 and 10, after a year of effort and dedication, our adult and early childhood learners (respectively) graduated from Todos Juntos. 12 of our adult students were inducted into the Adult Education Honor Society! Thanks to the generosity of our supporters, this year's ceremonies were extra special- adult English students received their diplomas wearing brand new caps and gowns courtesy of St. David's Episcopal church. Gracias amigos!

And doubly special, our little learners received their very own copies of their favorite book - Pete the Cat: Rocking in my School Shoes. We are proud of all that our students have accomplished this year and can't wait to see what is next for them!

## Hispanic Impact

We are incredibly proud to share that TJ was selected as an inaugural grantee by The Hispanic Impact Fund (HIF)! Their generous gift will allow us to hire a new teacher for our Early Childhood Education program. If you haven't already seen the sweet video they created for us, please visit our homepage at [todosjuntoslc.org](http://todosjuntoslc.org) to see Alex and his mamá share how TJ has helped their family. Thank you, HIF members!

**2017-2018  
was a year for the books!**

**Here's what our  
students had to say:**

"My favorite part of the day is when I come to class because there are friendly people and they make me feel loved"  
Juana, Level 3

•

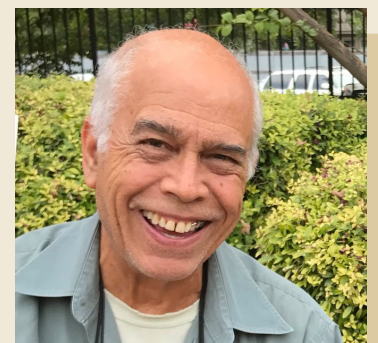

"I like this program because as I learn, my daughter is also learning." Rosa, Level 2

•

"I feel more confident when I try to speak, and this program has helped my child, too, because she learns and plays at the same time."  
Julieta, Level 4

•

"At Todos Juntos, I learn about American cultures, get to go to places, and learn about the history of Austin."  
Enrique, Level 3 (pictured)

# What a party!

On May 8, over 60 guests gathered at La Condesa's Malverde in downtown Austin to celebrate the Power of Language and raise funds for our Escuelita. This was our first fundraiser ever, and we are humbled by the outpouring of support.

Guests wined and dined on modern Mexican hors-d'oeuvres, and mingled in the warm spring evening. And thanks to your generosity, **we raised over \$10,000 that will be put directly into our programming so we can continue creating a community of *compasión* and *comunicación*. Here's to you!**

Thank you to NXP Heat Team, Deloitte, and guests at our May 8th fundraiser for your generosity! Our chiquitos loved their Pete the Cat books. Thank you for helping them become lifelong readers.

"We believe that Todos Juntos makes a lasting impact like few other organizations do. Not only do they empower families to thrive today, but they also invest in the family and community leaders of tomorrow. We give because we know this investment will compound many times over for our Texas community. Thanks for doing what you do, team TJ!"
