Going Places

It's Graduation Season at Todos Juntos!

We're excited to celebrate the end of the school year at Todos Juntos and all the accomplishments that come with it! Our **ESL, Early Childhood Education, Mi Familia & Me, and Adelante Juntos** programs held meaningful ceremonies to honor the hard work and achievements of our students. We are very proud of our student's dedication, perseverance, and commitment to give their best every day. Congratulations!

And a huge shoutout to our exceptional staff whose passion and daily efforts make a lasting difference in the lives of our TJ families. We are deeply grateful for all that you do, and so proud to have you as part of our community! We also want to say Thanks to **GoodPop** for providing delicious treats for the kids, **Luke's Party Balloons** for the wonderful decorations, and to **Austin PBS** for bringing **Clifford The Big Red Dog** to celebrate with our little learners!

Maternal Mental Health Fund

As grantees of the **Maternal Mental Health Equity Fund**, we were honored to learn about the impactful work of **Village of Healing** in Cleveland, Ohio.

This inspiring organization is dedicated to advancing maternal health by offering comprehensive services, including birth advocacy, pediatric care during an infant's first year, and postpartum support to their mothers. Thank you for your dedicated efforts in breaking down barriers and helping reduce maternal and infant mortality.

Congratulations to the 2024-2025 National Adult Education Honor Society Inductees!

Saludables Juntos Health Fair

Todos Juntos Learning Center hosted a successful health fair with the participation of 15 local health agencies. Attendees accessed services, resources, and connections all in one place. The **Lions Club** provided vision screenings, and Austin Public Health offered blood sugar, blood pressure, and cholesterol testing onsite.

Our amazing friend and longtime TJ volunteer, **Esther Diaz**, led a "Know Your Rights" workshop, ensuring our families understand their medical rights and privileges. Students also had a chance to schedule their onsite mammogram in partnership with **Lone Star Circle of Care's Big Pink Bus**.

Thank you to all of our amazing partners for your continued support. And a big shout-out to our Saludables Juntos Team for another successful health fair!

Board of Directors

We are always excited to give our **Board of Directors** a hands-on look into our daily work and impact. Last month, each one had the opportunity to visit our programs and speak with our programs and operations teams, allowing them to gain a closer look at the day-to-day at Todos Juntos. We are grateful to have a Board that cares deeply for our community and organization, ensuring that they operate smoothly and effectively.

We also recently had the opportunity to attend the **Mission Capital Board Summit**, where our fantastic Board member, Sydney, and phenomenal Communications Manager, Maria, connected with board service seekers and community leaders interested in learning more about board service within our local nonprofit community.

Consuela Connects Give Back Party

On Mother's Day weekend, our friends at **Consuela** hosted us for a **Consuela Connects Give Back Party**, where through your generosity, we raised nearly \$2,000 to support our ongoing operations! Thank you to everyone who supported this event, from our wonderful Board members, Vero and Barbra, to everyone who shopped that day! And of course to the Consuela team - Thank you for building community with us!

Muchas Gracias to our partners:
